Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning machines. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have more than sixty years of experience effectively designing, developing, marketing, manufacturing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are devoted to providing new design concepts and top quality to be able to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines always offers fresh design ideas. They like offering products that energize both their dealers and their partners and provide production gains to their customers.

The TREK team of workers enjoys new tasks and new challenges. They are extremely proud to launch its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the understanding of operators' skills and requirements combined with their knowledge of cleaning applications, together with owners' strong desire to considerably reduce expense through productivity gains.

The employees at TREK and their dealer-partners are strongly devoted to having both parts and technical support obtainable when it is needed. Their high service devotion is among the core values in their customer service. Keeping their customers' cleaning equipment running and ready on a daily basis is top priority. The company's top of the line technology delivers dependable machine that eventually lowers your cleaning expense. The product, the price and the service all work as one to make them the leader in the industry.
