

Fork Mounted Sweepers

Fork Mounted Sweeper - The forklift mounted broom accessory could truly make industrial sweeping jobs a lot easier. Meant for use on either wet or dry surfaces, this mounted broom attachment could squeegee water and push snow without problems. This accessory is usually utilized so as to clean debris from docks, parking lots, warehouses, construction sites and practically everywhere it is needed. The forklift sweeper is a low maintenance attachment which utilizes quick-tie tine products to effortlessly connect to the lift truck.
