

Concrete Hopper

Concrete Hopper - This accessory is a self-dumping hopper which automatically triggers to unload as soon as bumper release touches the side of a dumpster. When dumping is completed, the hopper goes back to an upright and locked position. This piece of equipment is also offered together with a cable that allows operation from the seat of the lift truck in order to have the choice of manually dumping the hopper. There is a locking chain provided to secure the hopper to the fork truck. This product is made with consistent and reliable robotic welds for utmost strength. The lift truck dumping hopper likewise has a blue powder coat finish to be able to maintain durability.
